---

Our wholesale suppliers offer a variety of packaging and shipping options. Please contact any of the listed suppliers to discuss your apple supply needs.

# Why choose Pennsylvania Wholesalers & Exporters?

Pennsylvania growers and packer-shippers are committed to providing the best tasting, highest quality fruit, backed by exceptional service.

## YOU CAN DEPEND ON:

- **The freshest fruit** picked at optimum ripeness to maintain quality through storage and transport
- **Superior knowledge and service** to help you find solutions that best fit your business
- **Access to the most popular apple varieties** including Gala, Fuji, Honeycrisp, Red Delicious, Granny Smith and many more
- **Ease of transportation** - Pennsylvania is geographically situated for convenient access to multiple international ports
- **Nearly year-round access to preferred varieties** - our Packer-shippers lead in controlled atmosphere storage solutions, ensuring in-demand varieties are available nearly year-round
- **Global-mind set** - Pennsylvania is a proud member of the US Apple Export Council; its industry representatives regularly participate in trade/reverse trade missions to respond to global market needs and trends
